DELIVERING SO MUCH MORE
THAN JUST A MEAL

Meals on Wheels has been guided by a single goal since the first known U.S. delivery by a small group of Philadelphia citizens in 1954 - to support our senior neighbors to extend their independence and health as they age. What started as a compassionate idea has grown into one of the largest and most effective social movements in America, currently helping nearly 2.2 million seniors annually in virtually every community in the country.
